- We will explore and access some of these awesome powers.
- What was the Ark?
- Where is it today?
- Find out what The Egyptian Book of the Dead refers to a mysterious dimension known as the 'Field of the Blessed'
- Learn how parallel dimensions have now become a fact of current physical research.
- Discover how from the tombs of Pharaonic Egypt, to the corridors of modern science, comes the extraordinary account of gravity defiance and teleportation in the ancient world.
- Designed to help you to access the Philosopher's Stone (White Powder Gold) now classified by quantum scientists as "the most remarkable property in the universe".

John Major Jenkins

A scholar of ancient Mayan Cosmology and calendars, John Major Jenkins is author of Maya Cosmogogenesis 2012 and Galactic Alignment.

- Will present his research and exploration of Izapa, It is the Mayan place where the Long Count calendar that gives us the famous 2012 end-date was invented, some 2,100 years ago.
- See what carved monuments portray the Mayan Creation myth and the birthplace of what we may call the original 2012 prophecy.
- Will time end as we know it in the year 2012? Find out how it affects you. What Mayan prophecies will be revealed.
- Learn the Origin of the 2012 Mayan Calendar.
- It's now famous 2012 end-date was carved in monuments portraying the Mayan Creation myth; its ball court is the birthplace of the original 2012 prophecy.
- The ancient Mayan knew how the sky shifted and how in a future time the solstice sun (First Father) would join with the Great Mother's womb (the Galactic Center).
- That future time is now- the 13 Baktuns of the Long Count calendar will be completed on December 21, 2012.
- Explore how the monuments of Izapa encode the Galactic Cosmology of the Maya and will explore how the same galactic insights are found in other traditions around the world.
